

Don't Lose Sleep Coughing at Night
Take Foley's Honey and Tar Compound. It glides down your throat and spreads a healing, soothing coating over the inflamed tickling surface. That's the immediate relief. It loosens up the tightness in your chest, stops stuffy wheezy breathing, eases distressing, racking, tearing coughs. Children love it. Refuse any substitutes. Contains no opiates.

Words of Gratitude and Praise

May be heard not only in this vicinity, but all over the state comes the most flattering testimonials from thousands that have taken Dr. Merrow's wonderful remedies. The following testimonial is from one of Burlington's prominent, well known and respected ladies.

Can Truthfully Recommend Dr. Merrow's Treatment.

It gives me much pleasure to add my testimonial to the thousands of others I know you must have, for the benefit of other sufferers.

I have been afflicted with stomach, kidney and liver trouble for many years often having such severe sick headaches that I had to go to bed and such terrible backaches that I was unable to keep around.

After taking your treatment for two months I commenced to improve rapidly and in three months' time I felt like a different person and I feel that I owe my life to Dr. Merrow as I had tried dozens of doctors and every medicine I could hear of with practically no relief until I took your treatment and I hope this will induce other sufferers to go where they can be cured even though they have tried everything they ever heard of the same as I had.

Only those who have suffered for years with backache, headache, constipation, inflammation of the bladder, nervousness and sleepless nights can appreciate what it means to be able to enjoy good health and I gladly and thankfully recommend Dr. Merrow to all sufferers, especially the seemingly hopeless cases.

Mrs. Emma Lunt,
194 North Union St.,
Burlington, Vt.

Special Notice!

No matter what your disease or how long you have been suffering or how many times your case has been given up as hopeless, you should not become discouraged until you have consulted Dr. Merrow. If you cannot call on him in person, send at once for his comprehensive chart and learn what your disease is and what to do to be cured, if curable, free. Legions right here in Vermont, who had given up all hope of ever being cured have been restored to health by Dr. J. W. Merrow of 15 Pearl Street, Burlington, Vt., where all letters should be addressed.
